

# West Virginia Collegiate Recovery Network

*Supporting Recovery in Higher Education Across West Virginia*

**Recovery is the expectation - not the exception - when individuals have a community and supportive environment.** The West Virginia Collegiate Recovery Network (WVCRN) is a resource for information, training, and technical assistance for any West Virginia college or university that wants to create a recovery community. **WVCRN is a grant-funded innovative partnership, offering peer recovery support services on eight higher education campuses.** Through support, education, and campus advocacy, we aim to create an inclusive environment and supportive community to help students, faculty, and staff thrive.

## **MISSION**

- To create a culture on campuses across West Virginia that promotes recovery, inspires hope and values respect.
- To empower institutions to embrace and promote a recovery supportive college experience for any potential or current student in or seeking recovery.
- To make recovery a norm for West Virginia higher education institutions, resulting in greater access to resources for not only for students in or seeking recovery but also for faculty, staff, and area residents.
- To affirm and inspire hope among students living and thriving in recovery to reach their fullest potential. Values: Respect for multiple pathways, inclusion, diversity, and equity.

## **VISION**

We envision every student in or seeking recovery will have a supportive community and array of resources at any institution of higher education in West Virginia.
