CENTER OF EXCELLENCE FOR RECOVERY

ALLIANCE FOR THE ECONOMIC DEVELOPMENT OF SOUTHERN WEST VIRGINIA
Higher Education Means Jobs

The West Virginia Collegiate Recovery Network (WVCRN) serves as a bridge between the community and the campus by providing recovery support, prevention education, and care collaboration.

The following schools are part of the network:

The WVCRN is part of the The Alliance for the Economic Development of Southern West Virginia (AEDSWV) and the Center of Excellence for Recovery (COE), both housed within Marshall University Research Corporation.

The AEDSWV is focused on fostering an environment for economic growth, while the COE aims to increase the well-being of West Virginians through behavioral health education, prevention, outreach, recovery, and applied research initiatives.
